

HYDRODRIVE®

Return & Refund Policy

We want you to order with confidence.

If you decide that a product is not right for your application, you may return it within 14 days of delivery, provided it is unused, uninstalled, and in its original condition and packaging.

Once the returned item is received and inspected, we will process your refund to the original payment method within a few business days.

Custom-built or personalized hydraulic steering systems are made specifically for your project and therefore cannot be returned. However, if you have any concerns before or after ordering, our team is always available to help you choose the right solution.

If your order arrives damaged or incorrect, please contact us promptly and we will resolve the issue as quickly as possible.

To start a return, simply email info@hydrodrive.eu with your order number and a short explanation.
